Worksheet / Ages 4-7

Name ________________________________  Age ________________
Class ________________________________ Date ________________

“Fall seven times, stand up eight.”
Japanese Proverb

In SCHOOL, I will persist...
1. ____________________________________
2. ____________________________________
3. ____________________________________

With my CHORES, I will persist...
1. ____________________________________
2. ____________________________________
3. ____________________________________

At my MARTIAL ARTS CLASS, I will persist...
1. ____________________________________
2. ____________________________________
3. ____________________________________

Directions:
Write down three things that you will eventually accomplish with persistence in each of the above activities. Parents, help your younger children with the concept of persistence and then have them choose three things that they will persist at until they accomplish them.
